The Honorable Charles E. Potter
United States Senate
Washington 25, D. C.

Dear Senator Potter:

Thank you for your recent letter recommending the firm of
Harley, Ellington and Day, Inc. to undertake the design of our
proposed new headquarters building.

After carefully considering a number of architects we have
tentatively made our selection, subject only to the negotiation
of a satisfactory contract. Your personal recommendation of
Harley, Ellington and Day, Inc. is very meaningful to us and I
assure you that it was not without careful consideration of this
firm that another selection was made.

Your interest in this matter is very much appreciated.

Sincerely yours,

SIGNED
